The Company will not be liable for damage caused by delay in the carriage.

b. The Company is not liable for any damage directly or indirectly arising out of compliance with laws, government regulations, orders or requirements or from any cause beyond the Company's control

If so specifically agreed, the goods or packages said to contain goods described on the face of the Air Waybill, will also be accepted for forwarding to the airport of departure and for reforwarding beyond the airport of destination. If such forwarding or reforwarding is by carriage operated by the Company, such carriage shall be upon the same terms as to liability as set forth in Regulations (3) and (5) above. In any other event, the issuing Carrier and last Carrier, respectively, in forwarding or reforwarding the goods, shall do so only as agents of the Shipper, owner or consignee, as the case may be, and shall not be liable for any damage arising out of such additional carriage unless proved to have been caused by its own negligence or willful fault. The Shipper, owner and consignee will authorize Carriers to do all things deemed advisable to effect such forwarding or reforwarding, including but without limitation, selection of the means of forwarding or reforwarding and the routes thereof (unless these have been specified by the shipper), executing and acceptance of documents of carriage (which may include provisions exempting or limiting liability) and consigning of goods with no declaration of value, notwithstanding any declaration of value in the Air Waybill.

The value for the purpose of the Bond will be calculated at the rate of Rs. 450/- (Rupees four hundred fifty) per kilogram of the weight of the consignment, where no value is declared. Where the value is declared for the carriage of goods, the value for purposes of the Bond would be the value of the goods so declared. The delivery of the consignment in the aforementioned manner shall be a complete discharge of any responsibility or liability of the Company.

10./ a. Receipt without complaint of any consignment at the time of delivery shall be prima facie evidence that the consignment has been delivered correctly and in good condition:

c. Any rights to damages against the Company shall be extinguished unless an action is brought within two years after the occurrence of the events giving rise to the claim as specified in the Carriage by Air Act 1972.

11. The Shipper shall comply with all applicable laws, and other government regulations including those relating to the packing, carriage or delivery of the goods, and shall furnish such information and attach such documents to the Air Waybill as may be necessary to comply with such laws and regulations. The Company is not liable to the Shipper or any other person for loss or expense due to the Shipper's failure to comply with this provision.

12. No agent, servant or representative of the Company has authority to alter, modify or waive any provision of the Air Waybill.

13. The Carrier shall always be entitled to open up the consignment to ensure the correctness of its contents, subject always to it being clearly understood that by doing so the Carrier shall not undertake any responsibility or liability for any contravention of Rule 8 of Aircraft Rules 1937 by the consignor for which the consignor alone shall continue to be liable.
