Dear Sir/Madam,

We, **FOURWING TRAVELS AND TOURS** (Agent), having our registered office at **3 , Shankar Market**
Connaught Circus, New Delhi – 110001, hereby acknowledge and confirm that we have chosen
not to use rain weather packing for the air cargo shipment detailed below:

- **Air Waybill (AWB) Number:** **098:-** _____
- **Sector:** **DEL:-** _____
- **Description of Goods:** _____
- **Date of Shipment:** _____

We understand that rain weather packing is recommended to protect the cargo from potential damage due to adverse weather conditions, including but not limited to rain, moisture, or humidity, during transportation, handling, or storage. Despite this, we have consciously decided to proceed without such packing at our own risk and responsibility.

In consideration of Airline agreeing to transport the above-mentioned cargo without rain weather packing, we hereby undertake and agree as follows:

1. **Acceptance of Risk:** We accept full responsibility for any loss, damage, or deterioration of the cargo that may arise directly or indirectly due to the absence of rain weather packing.
2. **Indemnity:** We agree to indemnify, defend, and hold harmless Airlines, employees, and affiliates from and against any claims, losses, damages, liabilities, costs, or expenses arising out of or in connection with any damage to the cargo due to weather conditions or the lack of rain weather packing.
3. **No Liability:** We confirm that Air India shall not be liable for any damage to the cargo caused by rain, moisture, or other weather-related factors, and we waive any right to claim compensation from Airlines for such damage.
4. **Compliance with Regulations:** We confirm that the cargo complies with all applicable laws, regulations, and airline policies, except for the use of rain weather packing as noted herein.

We kindly request Air India to proceed with the transportation of the cargo under the terms outlined above.
